Trading Cashback Promotion– Terms and Conditions

AC Capital Market is launching the "Trading Cashback Promotion" (hereinafter referred to as "the Promotion"). The specific terms and conditions are as follows:

1. Promotion Period and Eligibility

- 1.1 The promotion period for this promotion is from April 1, 2025, to April 30, 2025 (the end of the trading day during daylight saving time is GMT 21:00). For details, please refer to the AC Capital Market trading schedule.
- 1.2 The promotion is applicable to all eligible clients during the promotion period.
- 1.3 Please contact your account manager to inquire about the applicable regions for this promotion.
- 1.4 This promotion cannot be combined with other promotions.

2. Cashback Terms

- 2.1 The promotion applies to all account types of AC Capital Market.
- 2.2 Eligible clients who meet the following trading volume requirements during the promotion period will receive corresponding cashback. AC Capital Market will credit the cashback amount to your trading account at the beginning of the following month.
- 2.3 The trading volumes and cashback standards are as follows:

Trading Volume	Standard Account	Professional Account	ECN Account
>0 lot	\$2/lot	\$1.5/lot	\$1/lot
≥100 lots	\$2.2/lot	\$1.7/lot	\$1.2/lot
≥300 lots	\$2.5/lot	\$2/lot	\$1.5/lot
≥500 lots	\$2.8/lot	\$2.3/lot	\$1.8/lot
≥700 lots	\$3/lot	\$2.5/lot	\$2/lot

2.4 Examples:

- 2.4.1 Standard Account: Customer A traded 120 lots during the promotional period, meeting the requirement of "≥100 lots." Therefore, the cashback for each lot is calculated at \$2.2. Hence, at the beginning of the following month, Customer A will receive a cashback of $2.2 \times 120 = \$264$.
- 2.4.2 ECN Account: Customer B traded 330 lots during the promotional period, meeting the requirement of "≥300 lots." Therefore, the cashback for each lot is calculated at \$1.5. Consequently, at the beginning of the following month, Customer B will receive a cashback of $1.5 \times 330 = \$495$.

2.5 \$ denotes US dollars.

3. Terms of Use

3.1 Accounts with the same name are eligible to participate in the promotion. The trading volume and cashback amount for each account will be calculated separately, and accounts cannot be combined.

3.2 AC Capital Market will verify your account number and the account holder's name. If you have any questions or concerns during participation in the promotion, please send an email to cs@accapital.com for assistance.

4. Trading Volume Requirements

4.1 The trading volume is calculated based on closed positions.

4.2 The trading volume applies to all products offered by AC Capital Market.

5. Other Conditions
